

Sculptor Charter School

1301 Armstrong Drive, Titusville, Florida 32780 (321) 264-9991

June 19, 2007

We hope this update finds you having a great summer with your family!

As you know, the Brevard Innovative Charter School (BICS) Board of Directors must approve all new teaching staff to our Sculptor Team. I can tell you that we have selected highly-qualified teaching staff for recommendation to the Board for the following positions:

- 2nd Grade
- Middle School ESE
- Speech Therapy
- Middle School Science

Once we have BICS Board approval, we will be in a position to announce our new staff.

Also, the following staff members have new positions: Mrs. Marianne Hartpence is teaching Kindergarten. The 4th and 5th grade teachers have put their heads together and brainstormed ideas to better serve our 4th and 5th grade students. I am very excited, as are they, to announce that 4th and 5th grade will departmentalize next year. We strongly believe that this team approach of specializing in an area of instruction will greatly benefit our students not only as they move toward Middle School, but, also, by providing them with a solid foundation in all subject areas. Mr. Quam will join the 4th/5th grade team as the 4th/5th grade Math teacher, Mrs. Quam will teach 4th/5th grade Writing/Language Arts, Ms. Herholz will teach 4th/5th grade Reading, and Ms. Stacer will teach 4th/5th grade Social Studies and Science. Each student will have a homeroom they report to in the morning and return to in the afternoon. A letter with more details will be coming home to 4th and 5th grade parents in July. We are sure you will make all feel welcomed in their new positions at Sculptor!

We have interviewed for the following positions and in our July letter, we should be in a position to announce the new staff in the following areas:

- K-8 Music
- PE
- Teacher Assistant

Enjoy these days of summer with your family, and we shall look forward to your being a part of another great year at Sculptor Charter School!

Respectfully yours,

Patricia O'Sullivan
Program Director

PS As required by law, please make sure all immunizations are complete **before** the first day of school (i.e., Kindergarten physicals and shots, 7th grade Td/tetanus shots, etc.). Thank you!
