

SCULPTOR NEWS

VOLUME 1, ISSUE 9

NEWSLETTER DATE: MAY 13, 2011

PRINCIPAL'S CORNER: HAPPY SUMMER!

It is hard to believe that we are now in our last few weeks of the 2010-2011 school year! It seems we were just welcoming you all back to school!

On behalf of Sculptor, I would like to thank you all for choosing Sculptor as your educational partner and for all your support this year.

As we end the year, we send our rising 9th graders off to begin their high school years with sincere wishes for their continued success. We wish them success towards reaching those goals that they have set for themselves or have yet to but will solidify in the near future.

We look forward to adding our third sixth grade next year.

We'll be busy this summer preparing for your return.

The building will get a thorough cleaning, probably some painting touch –ups as floors are stripped and waxed. Just a few of our projects this summer.

Because of you and the academic success Sculptor has demonstrated, we are growing one class per year, up to three 8th grades. So, an addition to the building is in the plan. It will house 4 new classrooms and a brand new media center!

Isn't it so wonderful to see the long awaited roof replacement project get off the ground?

Have a happy and safe summer! Enjoy your family.

We look forward to seeing you in August for another great year!

The first day of school for the 2011-12 school year is Wednesday, August 10, 2011.

We thank you again for a wonderful year. Have a great summer!!!

TEXTBOOK REMINDER

Textbooks will be collected this month as the curriculum is completed. Each student is responsible for the specific textbook assigned to them by number at the start of school.

Now is a good time to verify that your child has THEIR correct assigned textbook and that it is still in usable condition in order to avoid having to pay for a "lost or damaged book".

The school has to purchase new books to replace a lost or damaged books, therefore it is necessary that we charge parents the replacement cost.

IMPORTANT DATES TO REMEMBER:

- *May 15th-Sculptor Splash 12-4pm (PTO)*
- *May 17th-19th- M.S. Exams*
- *May 18th-VPK Commencement 9:30am*
- *May 19th-Kindergarten Commencement 9:30am*
- *May 20th- 8th Grade Recognition Ceremony 9:30am*
- *May 19th, May 20th & May 23rd- Dismissal @ 1pm*
- *May 20th- K-5 Report Cards issued*
- *May 23rd-Last Day for K-7*
- *June 8th-Middle School report Cards available for pick-up in the front office*
- *Happy Summer!!!*

PLANNING AHEAD-END OF YEAR

Returning Students:

Our new online Student Pre-Registration process is finally ready for your input! We ask that you sit vigil by your email account so that when you receive the link, you may get started right away!

Each student has been assigned a Student Reg-Code which you should receive via email as well. If you do not receive either email, be sure to contact the front office next week. We thank you for your patience while we developed this "green" option!

Parent Survey

We are very grateful to the many of you who took the time to participate in our annual parent survey.

We hope to have the results posted on our website very soon.

Thanks

We thank the PTO and all our wonderful parents for a most excellent Teacher Appreciation Week.

The breakfast and luncheon was once again a fabulous feast enjoyed by one and all!

You have made us all feel so very special and so very valued.

Thank you for your support 2010-2011.

REMEMBER LOVE AND LOGIC

As we go into those summer vacation months, here's a reminder that may help keep summer peace for parents and allow kids to do the thinking.

Kids can hook us into an argument without breaking a sweat. Here are some *Love and Logic One-Liners* that will get us off the hook and cause children to do the thinking. (One-liners are ONLY effective when said with genuine compassion and understanding. They are never intended to be flippant remarks.)

ONE-LINERS

- “Probably so” I’ll bet it feels that way.”
- “I know.” “Nice Try.”
- “I don’t know. What do you think?”
- “Bummer. How sad.”
- “Thanks for sharing that.”
- Maybe you’ll like what we have for the next meal.”
- “I’m not sure how to react to that. I’ll have to get back to you on it.”

Good Luck parenting with *Love and Logic!*

SAVE THE DATE!

Although student pre-registration will be completed on-line for the next school year, we want to invite you to Final Student Registration. At this visit, you & your children will receive very important materials pertinent to the start of the new school year. This process will also be streamlined, complete with an “express lane”!

The date is Thursday, August 4, 2011. Watch for the times to be published in our summer communications.

NEW START TIME TO THE SCHOOL DAY AT SCULPTOR - 2011-2012!

In order to schedule and meet all our students’ needs for the coming 2011-2012 school year, Sculptor Charter School will begin its school day at **8:45am and end at 3:30pm.**

We thank you in advance for your support as we work diligently to meet the needs of our students. Students will be allowed in the cafeteria at 8:15am. Breakfast (assuming the legislature still funds this program) will be served from 8:15am-8:40am. New Front Office hours will be from 8:15am-4:15pm.

So, we look forward to seeing you Wednesday, August 10, 2011, bright and early at 8:45am! :)

PLAY IT AGAIN, SAM!

NASA will be making another attempt to launch the Space Shuttle Endeavor on Monday, May 16, 2011 @ 8:56am.

Sculptor is having regular school hours.

The buses will run their routes as usual but with the heavy traffic expected, parents should expect delays. Our staff will be making every effort, as usual, to ensure a safe arrival to school.

We encourage you to make whatever arrangements are necessary for your child/ren to arrive to school safely and timely.

Administration will be sensitive to those circumstances that may cause a delay in their arrival.
