RE: Informational Materials from Non-School Related or Sponsored Groups

The purpose of this correspondence is to provide you with informational materials generated by parent initiated student clubs and not-for-profit community organizations. These materials will be sent home with students on the first Friday of each month. You are not required to read or respond to these advertisements, rather they are being provided to you as a public service and a matter of law to all members of our school community.

The District's literature distribution policy #9701 may be found online at www.brevard.k12.fl.us. Please call me if you have any questions concerning these materials. Thank you.

"None of the attached materials are sponsored by nor endorsed by the School Board of Brevard County or the Brevard Innovative Charter School Board, its agents, or its employees. The views and the information contained in these materials are not an expression of the opinion, belief or policy of the Board, the District, and/or this school."
